Manor Park Playschool- Preparation for JK! Application Form 2019 – 2020

Manor Park Playschool

Overview

The Manor Park Playschool is a warm and caring environment where children laugh, learn and play. Guided by experienced instructors, children explore the world around them through age-appropriate activities, complete with stories, games, songs, art and more! Preparation for junior kindergarten is the focus of this half-day program. Children must be born in 2015 or 2016 to enroll this year.

Manor Park Playschool is an initiative of the Manor Park Community Council (MPCC). The MPCC is a not-for profit organization that has provided recreational programming to the greater community for over 35 years. The Manor Park Playschool, for children 32 months – 4 years, opened its doors in September 2002.

The Manor Park Playschool is committed to providing the highest quality of programming. We welcome ongoing dialogue with parents throughout the programming year.

Location

The Manor Park Playschool is located in the Manor Park Community Centre, 100 Thornwood Road, Ottawa. The Community Centre is in a 10-acre park setting adjacent to Manor Park Public School. In addition to fenced grassy nooks and shade tree areas, the site has play structures, playing fields and a splash pad. The nearest major intersection is St. Laurent Blvd. and Hemlock Road. On-street parking along Thornwood Road is available for drop-off and pick-up of children. Parents are asked not to use the private laneway leading into the Manor Park Community Centre.

Program Times

8:30 a.m. – 11:00 a.m. Tuesday through Thursday

Arrival and Departure

Program start time is 8:30 a.m. Doors open at 8:25a.m. each morning. Children must be accompanied by parent/guardian into the community centre and an instructor must be made aware of his/her presence. Departure time is 11:00 am.

Children are required to be picked up on time. Children will be supervised for a 5 minute grace period after following the published departure time. Beyond the grace period, parents will be levied an additional charge of \$1 per minute. The additional charge levied must be paid by the end of the following day in order that the child's enrollment in the program continues.

Toilet-training

Preschool-aged children must be toilet trained **or in the process of being toilet trained**. Our staff implement a toileting routine geared for your child to succeed, but children need to be ready. Pull-ups are allowed, and parents of children not yet toilet trained must supply extra pull-ups and wipes in their child's backpack.

Snacks

Children should bring a small nutritious snack and drink to the Manor Park Playschool. Children will not be permitted to exchange food. Please, **no products containing peanuts or tree nuts**.

Illness

If your child is ill, you should not send them to the program. Manor Park Playschool requires parents to pick up their child from the program if the instructors feel that the child is unwell.

Discharge

The Manor Park Community Council (MPCC) reserves the right to discharge a child from the Manor Park Playschool if the behaviour of either the child or parent/guardian could be considered unacceptable. The MPCC reserves the right to discharge a child from a program if the parent(s)/guardian(s) fail to meet the financial obligations of the program.
