

**Manor Park**  
Community Council

September 14, 2015

**Are you seeking fee subsidies for before- and after-school programs at Manor Park Public School?**

**This is the information you should know.**

- The Manor Park Community Council (MPCC) has been selected by the Ottawa-Carleton District School Board (OCDSB) as a 3<sup>rd</sup> party provider of before- and after-school childcare for the school year.
- The MPCC is licensed and eligible to receive fee subsidies for before- and/or after-school programs. The MPCC is currently participating in the 'Floating Fee Subsidy' pilot project.
- To receive a subsidized space in the before- and/or after-school program, families must be registered with the City of Ottawa's Child Care Registry and Waitlist, and have been approved to receive a subsidy.
- Money is provided by the province of Ontario and distributed by the city of Ottawa.
- The City in turn allocates funding to school boards for its school board run programs and for its selected 3<sup>rd</sup> party provider of before- and after-school childcare.
- All questions regarding fee subsidies should be directed to the city.

*Do you currently have a fee subsidy for childcare?*

- Families who have a subsidized childcare space -- and continue to need a childcare fee subsidy -- should not give up the subsidized space they currently have and move to a before- and/or after-school program at Manor Park Public School before confirming with the school board that they will have a fee subsidy with their new childcare provider.
- Families who have a subsidized childcare space with a childcare provider which is closing during the next school year, should contact the city of Ottawa immediately. Families in these circumstances may be able to transfer their childcare fee subsidy to the before- and/or after-school programs at Manor Park Public School.

*Don't have a childcare fee subsidy – but need one?*

- Families who need childcare fee subsidy should apply to the city of Ottawa through the Child Care Registry and Waitlist at <https://onehsn.com/Ottawa>.
